10 BLESSINGS OF INDEPENDENT LIVING

Fun, Active Lifestyle

Our communities are “Where the Fun Never Sets®!”

From community dances, to parlor games, to trips and outings, our residents are never bored!

We are always looking for occasions to celebrate and create opportunities for our residents to socialize and stay active!

1. Positive Change

The best decision a retired senior can make is to move into an independent retirement community. Living alone breeds loneliness, poor health, inactivity, and depression. The comment most often made by seniors moving into an independent community is, “I wish I had done this a long time ago.”

To every thing there is a season, and a time to every purpose under the heaven: (Eccl. 3:1)

2. Physical Health

Because of regular meals and increased activity, seniors in an independent living retirement community enjoy better health and live longer and happier.

For I will restore health unto thee, and I will heal thee of thy wounds, saith the LORD; (Jer. 30:17)

3. Nutrition

Our residents enjoy three home-style meals every day with a large selection served by waiters and waitresses in a beautiful dining room. Best of all, they eat every meal with friends.

And one of you say unto them, depart in peace, be ye warmed and filled; notwithstanding ye give them not those things which are needful to the body; what doth it profit? (James 2:16)

4. Companionship

Unless they live in a retirement community, most retired seniors spend the majority of their time alone robbing them of purpose and leaving their lives lacking. Life is better living around friends.

...for better is a neighbour that is near than a brother far off. (Prov. 27:10)

5. Enjoy Retirement

It is our commitment to provide happiness and fun to each of our residents. Retired seniors want to enjoy life; living alone makes that difficult. We provide the way – a positive, upbeat lifestyle.

...it is good and comely for one to eat and to drink, and to enjoy the good of all his labour that he taketh under the sun all the days of his life, which God giveth him; for it is his portion. (Eccl. 5:18)

6. Good Mental Attitude

Independent retirement living drives away depression. Social interaction on a daily basis actually delays the onset of Alzheimer's. Loneliness is replaced with activity. Life is exciting and good.

He that loveth his brother abideth in the light, and there is none occasion of stumbling in him. (1 Jn 2:10)

7. Personal Development

There is always something interesting going on in our independent retirement community giving our residents a choice of doing crafts, games to exercise the mind, and trips to interesting places.

A wise man will hear, and will increase learning; and a man of understanding shall attain unto wise counsels: (Prov. 1:5)

8. Laughter

“It is good to laugh again.” That is what our residents and their family members say after moving into our independent retirement community. We laugh through positive daily experiences with others.

...and a time to laugh; (Eccl. 3:4)

9. Fixed Costs

Our residents know what their costs are going to be every month. There are no unexpected bills such as a new roof, replacing the air conditioning system, fixing the slab, or removing mold.

For which of you, intending to build a tower, sitteth not down first, and counteth the cost, whether he have sufficient to finish it? (Luke 14:28)

10. Fun, Active Lifestyle

Dances to bingo, games to crafts, exercising to quality entertainment, classes to trips; our residents look forward to every single day. Our primary focus is to help each resident live life to its fullest.

...and a time to dance; (Eccl. 3:4)
